weSPARK External Fundraising Event Forms

Events held by individuals or organizations to benefit weSPARK Cancer Support Center which are not under the organization's immediate control are known as external events. weSPARK is a 501 (c) (3) nonprofit organization and to guarantee that charitable IRS laws are followed, prior approval must be obtained from weSPARK whenever the organization is publicized as a designated beneficiary for an external event. weSPARK's responsibility is limited to serving as a liaison, providing information and offering advice to event organizers.

weSPARK assumes no responsibility for unauthorized use of its name, nor for the actions of the event organizers who solicit funds on behalf of the weSPARK under fraudulent circumstances.

Approval process

Please submit the External Fundraising Event Approval Form to the weSPARK Cancer Support Center office, by email, fax or U.S. mail as soon as possible. You will be contacted with any questions or comments that may result from the evaluation of your application. Permission for the use of weSPARK's name, logos, or other pertinent materials will be determined by the information supplied in the required event documentation. Please do not use weSPARK Cancer Support Center's name in connection with fundraising until you have received a copy of the signed approval, which will detail your obligations and rights.

Unauthorized fundraising methods and promotions

weSPARK Cancer Support Center gratefully accepts donations and/or awareness generated by fundraising or promotional activities on behalf of or in conjunction with individuals or other organizations. There are, however, certain procedures and/or sponsorships that are unacceptable to the organization. Among these are:

- Use of the weSPARK name in relation to any business activity that cannot guarantee full accounting of funds generated, such as vending machines.
- Use of the weSPARK name at the direct point-of-purchase sale of alcoholic or tobacco products

External Fundraising Event Approval Policy Guidelines

In order to ensure that all proposed external events are in keeping with the weSPARK organizational guidelines, and to comply with regulations pertaining to nonprofit organizations, weSPARK requires the following:

1. External fundraising and promotional events must reflect the values and decorum associated with the cause of providing free support services for cancer patients and their loved ones. Under no circumstances will acts of violence or those of sexual, tawdry or inappropriate nature be permitted.
 2. weSPARK is to provide all information published or transmitted to the public about the organization. All text used in print and media materials, public relations and/or signage must be approved by weSPARK Cancer Support Center's Executive Director.
 3. The sponsoring organization will bear all costs associated with the event. Contractual agreements for space, materials and services, and accompanying liability shall be the sole responsibility of the sponsoring organization and not that of weSPARK.
 4. weSPARK will not participate in executing the details of the event.
 5. Contribution checks will be made payable to weSPARK Cancer Support Center; weSPARK will acknowledge event donors individually with a thank-you letter including pertinent tax information. When funds are made payable to event organizers, who then forward that donation to weSPARK, the organizers will receive acknowledgement from weSPARK for the entire amount of the donation.
 6. Only donations made directly to weSPARK Cancer Support Center are tax-deductible. It is illegal for the hosting external event organization to state in any promotional materials that donations made to the hosting organization are tax-deductible utilizing weSPARK's IRS 501 (c) (3) status.
 7. The legal and proper language for contributions made to weSPARK: **"Donations to weSPARK Cancer Support Center may be tax-deductible to the fullest extent of the law."**
 8. If 100% of donations generated by an external fundraising event are not transmitted to weSPARK Cancer Support Center, then promotional materials cannot say the donations are tax-deductible. If a donation is made to the event organizers, it is not tax-deductible.

External Fundraising Event Agreement

In order to receive approval of your proposed external fundraising event, you must comply with the following regulations.

1. You must complete and return the External Event Approval Form in order to receive authorization to conduct an event. This form should be submitted a minimum of 60 days prior to the event date. weSPARK Cancer Support Center will respond to all requests no later than 15 days after receipt of the signed document.
 2. The use of the weSPARK name, logos or other pertinent materials will only be authorized after completion of the External Event Approval Form. The event sponsor is authorized to use the weSPARK name only in connection with the specified fundraising event, and only until the completion of the event or termination of this agreement (whichever comes first). All usage of the weSPARK trademark shall bear the registered trademark symbol ®.
 3. The amount or percentage of monies to be donated to weSPARK must be included in all advertisements so the public knows what percentage of their funds will benefit weSPARK Cancer Support Center.
 4. All donations received by the hosting organization must be delivered or mailed to weSPARK within two (2) weeks of receipt.
 5. The event sponsor will complete all tasks necessary for organizing the fundraising event, and shall assume full responsibility for the payment of all expenses in connection therewith, without regard to the amount of funds collected for the event. weSPARK will not underwrite any portion of an external event or project, nor will it be responsible for any expenditure related to the external event.
 6. The event sponsor must agree to comply with all necessary local or government regulations. This includes, but is not limited to, registering with appropriate agencies, purchasing insurance and following any rules of disclosure currently required by the IRS and required licenses and permits.
 7. The sponsor organization holding the event intended to benefit weSPARK Cancer Support Center indemnifies and holds weSPARK harmless from any and all claims that may arise as a result of this event.
 8. Note that any endeavor which necessitates weSPARK to request its donors to make or solicit purchases will not be accepted.
